a ricostruire il razzo.

Così nacque il primo gruppo di pesci contrari a essere mangiati.

Si riunivano di nascosto, perché di solito i pesci contrari a essere mangiati venivano mangiati.

VALERIO MAGINI

Children's Book Illustrator & Author

Valerio Magini is an Italian illustrator and author creating picture books for children. His work combines visual storytelling, gentle humour and a touch of surrealism, with a particular love for expressive characters and slightly improbable situations.

He is the author and illustrator of *Wolfy e la Luna* and is currently developing new picture-book projects for children.
